OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 14 June 1967

25X1 1. [] Talked with Representative Frank T. Bow asking his advice in connection with Representative Donald Lukens who has been pressing us on some detailed questions dealing with NSA. Mr. Bow stated that he was very well acquainted with Lukens and his viewpoints and offered to talk the matter over with him. Mr. Bow said he would let me know how this came out.

25X1 2. [] Talked with Mr. Woodruff, Senate Appropriations Committee staff, concerning the House letter on the Agency budget. Woodruff indicated that final markup probably will not come before the end of July. He indicated that the Committee was fully aware of the House action and the purposes particularly in the []. He indicated that he would not be at all surprised if the Senate did not push for a further reduction in funds aimed at an accelerated takeover of funding by DOD. 25X1 25X1

25X1 3. [] Mr. Segermark, in the office of Representative Ancher Nelsen, called regarding a young man, [] who is interested in employment with the Agency. An appointment was arranged with [] for 10:30 a.m. on Thursday, 15 June to see []. 25X1 25X1

25X1 4. [] DD/S&T, called to advise he had been contacted by General Slack's office in connection with a NASA briefing of James Gehrig, Senate Space Committee staff, this Friday morning. According to [] a necessary prerequisite to the NASA briefing is the granting of a clearance to Gehrig for material in the [] category. We will make arrangements for Gehrig to be given the necessary clearance briefing. 25X1 25X1
